Copy of letter Roc.No.1312 M/49, dated 14.3.1950, f. The Director of Public Instruction, Madras, to The Secretary to Government, Education Department, Madras.

Sub: Basic Education - Retraining courses for non-basic teachers - during the summer - proposals submitting.

It was resolved both in the Basic Training School Headmasters' conference held at Keelamoongiladi and in the Basic Education Advisory Board Meeting that retraining courses in Basic Education be arranged during the ensuing summer for the benefit of non-Basic teachers serving in Elementary Schools around Basic Training Schools. Accordingly, I recommend that retraining courses in Basic Education be conducted in all Basic Training Schools except the following:-

1. Teachers' College, Saidapet. 2. Lady Willingdon Training College, Madras. 3. Government Basic Training School for Women, Cuddalore. 4. Basic Training School for Women, Portonovo and 5. Government Basic Training School for Women, Ramnad. There will thus be retraining courses at 25 Government Basic Training Schools and 7 aided Basic Training Schools. This intensive training course will be for 3 months. About 30 teachers may be admitted in each centre. In some centres however I may arrange for the training of more than one batch. Teachers employed in elementary schools encircling the Basic Training Schools, non-basic teachers employed in existing Basic Schools, teachers employed in elementary schools in firkas selected for intensive rural development and a few secondary grade teachers in Government service may be admitted for the course.

2. Atleast one additional L.T. Assistant is required for each centre in addition to the existing staff to run these retraining Courses so that the usual work of the Training school is not adversely affected. Two L.T. Assistants will be required in centres where two batches are admitted. Government have been requested to sanction the employment of 27 L.T. Assistants with effect from 1.7.1950 in my letter Rc.1087 M/48 dated 20.9.49, for the nine Basic Training Schools opened during 1950-51. I recommend that these posts may be sanctioned even from April 1950 so that their services can be utilised for running these retraining courses at the end of which they may be posted to the Basic Training Schools for which they are intended. I shall however utilise only as many posts as are absolutely necessary for the efficient conduct of the courses.

3. The teachers undergoing the retraining course may be paid a stipend of Rs.18/- p.m. for the period of their retraining. Since summer holidays for 6 weeks will intervene during the retraining course there will be no necessity for the appointment of substitutes in the place of the teachers deputed for training. The managements of the seven aided Basic Training Schools which run the retraining courses may be allowed grant for an extra L.T. teacher employed for conducting the course.

4. The cost on account of the proposal will be Rs.60,510 as detailed below:

Pay for 27 L.Ts. at Rs.85/- p.m. for 3 months (27 x 85 x 3)	Rs.6885
Grant for 7 L.Ts. at Rs.85/- p.m. for 3 months (7 x 85 x 3)	Rs.1785

P.T.O.

Stipends for 32 centres for 3 months at Rs.18/- per trainee per month for 30 trainees. (18 x 30x3x32) Rs.51840

Rs.60510

Since the courses are to start from the beginning of April 1950, I request the favour of very early orders.
